

BAVANI PERIASAMY

BAVANI comes from an IT background. She has been involved in the training industry for the past 10 years. Prior to that she has been in the sales line for both IT and training industry.

Her passion has always have been in the area of learning and development from a young age as she is from a background where there are a lot of teachers in the family. She is also very curious about understanding a person's cognitive abilities and behavioral characteristics. This has led her to study and get certifications on psychometric assessment tools.

She has over 10 years of experience in training (working in projects) with Telekom Malaysia Berhad, Etiqa Takaful Berhad, Maybank Berhad, IOI Properties, Petroliam Nasional Berhad (Petronas), Public Bank, MSIG Insurance, AXA Affin General Ins, Pintar Foundation, RHB Bank, Nestle, Segi University and Colleges, SPAD, Suruhanjaya Syarikat Malaysia(SSM), DRB Group of Companies, Alliance Bank.

Her work now mostly revolves around students and youth programs as she is passionate about helping them to be the future leaders of the country. She is also very much involved in team building, psychometric assessment tools, game based learning, motivation, career coaching for students and young adults and self-awareness programs as well as some corporate clients. In the past, she has been involved in various roles for Skim Latihan 1Malaysia for GLC's and now known as PROTÉGÉ. She also spoke on using LinkedIn as a branding tool for graduates in IIUM Career Fair 2019. She also works with small business owners and entrepreneurs to increase productivity, performance and revenue. She also spends time coaching unemployed graduates to get a job.
