

ELYSON NG

Associate Trainer and Coach

Elyson Ng was the Head of Onsite (Marketing) at Rocket Internet venture, ZALORA. He gained the knowledge and the know-how to navigate the challenging digital marketing space. Part of his portfolio was to optimise the digital marketing channels, remarketing campaigns to target the right audiences and overseeing organic social media platforms.

He is passionate about all things digital and using technology & marketing tactics to help local businesses and start-ups grow.

His latest involvement was with Nanyang Polytechnic E-Commerce lab, where he strategizes to help SMEs to grow their digital presence.

LEARNING & DEVELOPMENT EXPERIENCE

Elyson has been getting testimony from his clients. They were impressed with his ability to break down processes and provide clarity from the training.

His latest involvement was with coaching leaders & entrepreneurs on business clarity. Guiding them through a process to build unique preposition for their businesses. With the unique coaching methodology, they have not only managed to craft out their identity, but at the same time also managed to build meaningful contents for social media.
